TOWN OF SORRENTO

SORRENTO VETERANS MEMORIAL
Dedicated August, 2006

ANNUAL REPORT
July 2005 - June 2006

Elections: Monday, September 11, 2006
Annual Town Meeting
Monday, September 18, 2006

Bruce Alan Clark was born December 3, 1947 at the Hurley Hospital in Ellsworth, Maine to Edwin and Ruth (Sargent) Clark. He grew up in Sorrento in the house that was formerly known as the White Farm on the East Side of town, along with his sister, Beth and brother, Kevin. For his elementary education he attended Sorrento Grammer School and then went on to Sumner Memorial High School. At Sumner, he participated in many sports, but excelled in basketball and golf, the latter being a passion throughout his life.

He continued his education at Farmington State Teacher's College (now the U of Maine-Farmington), where he obtained a bachelor's degree. It was at college he met and married Patricia Wise, the mother of his two sons, Sean and Jason. Soon after college he joined the Navel Air Force, where he earned his commission at Pensacola, Florida.

He returned to Maine after he left the service to raise his family and taught first in the Harmony school system, then at the Steuben Grammer School, and Mountain View Middle School, where he became assistant principal.

Proudly following in his father Ed's footsteps he was elected selectman for the Town of Sorrento for several years. He enjoyed helping solve the problems of our unique town. He was also a member of the Sorrento Volunteer Fire Department.

He left the education field to try his hand at lobster fishing, even building his own boat. For many years he lobster fished and scalloped the waters of Frenchman's Bay.

In the mid 1990s Bruce decided to move to Florida and there he started his own finish carpentry business. In the past few years he was a superintendent for a large company that built high rise condominiums.

In his spare time he could always be found either on the golf course or out fishing on his boat. He loved doing both, though being on the water was his main pleasure. There was also an introspective side of Bruce that can be found in the many poems and songs he has written over the years.

Playing guitar and singing his songs both privately and sometimes for an audience was another favored pastime.

Between work and "play" he was father, brother, son, special friend, and this past year a grandfather to a family that loves and will miss him very much.

Town of Sorrento, Maine

2007 Assessor's Notice

In accordance with Title 36, M.R.S.A., Sec. 706, as amended, the Assessors of the Town of Sorrento hereby give notice to all persons liable to taxation in said municipality, that they will be in session at the Town office in said municipality on the 2nd of April 2007 at 7:00 PM for the purpose of revising lists of the estates taxable in said municipality.

Owners

All persons liable to taxation in the Town of Sorrento, Maine and all Administrators, Executors, Trustees, etc, of all estates taxable in said municipality of such persons are hereby notified to furnish to THE ASSESSORS TRUE AND PERFECT LIST OF ALL THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 2007 and be prepared to make oath to the truth of the same and to answer all proper inquiries as in writing as to the nature, situation and value of their liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator, or other such persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate have been wholly distributed and paid over.

Persons Doomed

And any person who neglects to comply with this notice is hereby barred to his right to make application to the ASSESSORS or any appeal therefrom, for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

Blank schedules will be furnished at the Assessors' Office on application.

Louis Sutherland
Robert Wilpan
Dan Bierman, Sr.
Assessors

SORRENTO FIRE DEPARTMENT

We would like to begin this report by letting our residents know that the fire department appreciates them for their fire safety this past year.

Our calls are up this year - 79 calls in total from July 2005 to June 2006 (61 calls in the 2004-05 year). Of these 79 calls, 40 were for our Emergency Medical Services, up from 21 last year. The remainder of the 79 calls were for residential fires, wood, brush and grass fires, trees and wires down across roads, residential alarms, false alarms, vehicle accidents and mutual aid.

The past year included numerous work and training sessions, both for the fire department and the Rescue/EMS. This adds up to many hours for the volunteers on the department. The latest training was a Class A burn in Winter Harbor. A Class A burn is when the owner of a house donates it to the fire department and lets them use it for training. It allows them to burn the building in new and modern ways and allows the firefighters to sharpen their skills.

Our new pumper/tanker fire truck arrived in August. The Truck Committee, consisting of Dudbridge Taylor, Dwayne Clement, Brian Clement, Craig Clement, Michael Parker and myself put in more than 100 man-hours each on this project. It was a lot of sitting and pouring over paperwork making sure that everything was right and as we wanted and needed on the truck. Members of the Committee made three trips to Norte-Dame, New Brunswick to the factory to oversee the building of the truck and making sure it was as ordered. Our appreciation goes to John Partridge, owner of Town Auto in Ellsworth, for donating vehicles for us to use on these trips. The Committee also wishes to thank our town officials, the SVFD Auxiliary, and our town residents for their cooperation and help this past year on this project.

This year we will try to replace our old pre- 1970 fire hose. It is becoming unsafe, sometimes blowing apart when used. Some of our hose was given to us and is even older than 1970. A 50' roll of 1 3/4" costs over \$90, a roll of 2 1/2" costs over \$125. We will be looking around to get us the best product for the best money.

We continue to do what we can to keep our costs down. The department is always looking for grant money to help us offset costs on equipment and training. Heating fuel, diesel fuel, electricity - these costs, as you all know, keep going up. We do our best to conserve energy where possible.

As always, we encourage you to report any sightings or smells of smoke as soon as possible. Call 9-1-1. Even if the call turns out to be false, we would rather be called to investigate and find nothing than not to be called until something is out of control. We want to keep our town, our residents, safe. Be sure to call for a burn permit when needed.

And, as always, the department welcomes new members. There are jobs to do on the fire department from firefighter to rehab to computer work and many other jobs in between. Come in for a walk-around, see what we have, ask us questions. We welcome you!

SORRENTO FIRE DEPARTMENT

2006 - 07 Budget

Equipment	\$ 1,000
Special Equipment	\$ 2,000
Training/Education	\$ 600
Firefighter PPE (turnout gear)	\$ 2,800
Firefighter Expenses	\$ 500
Communications	\$ 5,600
Vehicle Fuel	\$ 2,200
Vehicle Maintenance	\$12,000
Utilities	
Heat	\$ 3,400
Electric	\$ 1,200
Telephone	\$ 440
Water	\$ 200
Building Maintenance	\$ 1,325
Miscellaneous	\$ 600
SCBA (self-contained breathing apparatus)	\$ 1,000
Total	<u>\$34,865</u>

The increase in this budget is 6% overall. The largest percentage increase was, of course, in building heat expenses, an uncontrollable expense due to the continued price increases. We are under the town's umbrella contract with a fuel provider, but the locked in price this year is 20% higher than last year. This year we were able to decrease a few accounts, some more than others. We did increase the Firefighter PPE - this turnout gear is what they must wear in fires and this gear is expensive. We have bought a set here and there and hope to purchase two sets this year.

SORRENTO FIRE DEPARTMENT IN-SERVICE APPARATUS INVENTORY

Central Station (at the Town Center)

Engine 821	1953 Mack	500 gal. tank & 750 gal./min. pump, hose, ladders, tools.

SORRENTO RESCUE/EMS

I would like to start this report with a big thank you to the members of the Rescue/EMS crew. So too the members of the Sorrento Fire Department. The members have gone above what most volunteers would do. If you should see any of these members, please thank them.

Sorrento Rescue has been training hard, keeping up with state regulations. This is always ongoing. The members and their families give up their home time for the members to train and go on calls, often missing sleep and family obligations to help their community. They feel a great responsibility to the residents of Sorrento.

Sorrento Rescue now has 2 EMT-I (Intermediate Level) and 3 EMT-B (Basic Level). The firefighters also help where they are able.

Sorrento Rescue is run for the most part on your donations. We send a big thank you to those who keep us in their thoughts. Without you, we could not continue to serve.

We are planning to purchase some additional needed equipment this year and also provide training classes. We are looking into acquiring an ATV all-wheel drive so that the rescue sled can be used year round. A grant application is being worked on at this time to help us in this endeavor.

We are always looking for new members who would like to take First Responder or EMT classes, who are willing to work hard and train hard. We enjoy what we do and are dedicated to our jobs.

Thank you,
Ken Monroe
Sorrento EMS Director

PUBLIC SAFETY

The installation of the dry hydrant on the West Shore Road has been completed and it is ready for use.

Any missing or damaged road signs have been replaced and hopefully will stay up. If you notice any missing or damaged signs please call and let the Town Office know so we can get them replaced. It is very important that these signs be in place, and your residence number clearly visible, for emergency calls such as police, medical, or fire.

We have readied our chainsaws and safety gear for the coming season and any accompanying windstorms that might bring down trees. Often with downed trees there are also downed power lines. **DO NOT GO NEAR ANY DOWNED LINES!** Contact 9-1-1 and they will tone out the fire department and Bangor Hydro. The Sorrento Fire Department has a special tool that tells us if the downed line is live and even if the ground around it is charged.

Joey Clark, Fire Chief
Public Safety Officer

EMERGENCY MANAGEMENT REPORT

I would first like to emphasize the importance of being ready for any emergency at any time of the year. The simplest thing is to be sure to keep flashlights ready and to keep spare batteries on hand. There is a handout in the Town Hall lobby on hurricanes and readiness that is useful in any emergency. By October we expect to have handouts from the American Red Cross and FEMA on "Your Family Disaster Supplies Kit" and "Helping Children Cope with Disaster".

A few months ago in the Sorrento Newsletter we wrote about NIMS (National Incident Management Systems - a standardized management tool for meeting the demands of small or large emergency or non-emergency situations) and that myself and my assistant had to be certified in this by October. We have been busy attending meetings, classes, working on textbooks and tests here in town, and also working on updating Sorrento's Emergency Preparedness Plan. Two firefighters are also doing the textbooks. Sorrento's Plan must be completed and in place by October. Our certification and our plan must be completed for Sorrento to be eligible for any federal funds.

This is keeping us busy, but we are working hard on this and will be ready. Please be sure that you are ready - for any emergency. Thank you.

Joey Clark, Fire Chief
Sorrento Emergency Management Director

E 9 1 1

As many of you have come to realize in the past year having your E 911 numbers readily visible on your homes and/or at the end of your driveway has been ever so helpful. For our fire department, EMS/Rescue team, and County Ambulance to be able to locate your home for your emergency has saved them precious seconds and minutes. Being able to quickly locate where the emergency is makes it much less complicated for them to be so effective in their jobs as emergency personnel.

I keep in close contact with the fire department and Town Office concerning any new building and sub - divisions being developed here in town. This is a much needed and necessary part of my job as the E 911 Addressing Officer.

I have already assigned E 911 numbers to the lots in the new Noble Ridge sub - division on Sheer View Lane. Thus making it easier for the buyers to be able to know that they already have an address when they purchase their lot.

For those of you who do not have numbers visible, PLEASE do so as soon as possible as time is very important in an emergency and it could be your emergency.

**ALWAYS DIAL 911 NO MATTER
IF IT IS A FIRE OR A
MEDICAL EMERGENCY**

Judith High
E 911 Addressing Officer

SORRENTO COMMUNITY BUILDING COMMITTEE REPORT

This past year has seen the Community Building used for birthday parties, family reunions, bridal showers, state and federal elections, Sorrento's Annual Town election and meeting, two meetings of the Sullivan Sorrento Historical Society, Girl Scouts, Long Pond Water District's annual meeting, and the Sorrento Fire Department meetings and fire or EMS classes.

At the writing of last year's report, we were waiting for the new window shades for the "big room". These were installed and they look and work great. This year, in fact soon, we will be installing a new, larger refrigerator in the kitchen. This will be a big help for suppers, parties, or if ever the Community Building is used as an emergency shelter.

As always, we thank you all for your support of the Sorrento Community Building.

Sorrento Community Building Committee
Cynthia Burnett
Dwayne Clement

CODE ENFORCEMENT REPORT

Fiscal 2005 - 2006

In the year recently completed, a total of nine construction permits were issued. Since Sorrento regulates construction activity only in the shoreland zone, the permitted projects were naturally in the shoreland.

Activity for the year can be considered moderate with only one major project, the Noble Ridge Subdivision, worthy of note. The remaining permits were approved for: four rip rap walls for shoreland stabilization, one stairway to the town pool, and the remaining three permits covered a building replacement, a deck and a shed.

Code Enforcement continues to be available to answer land-use questions and to resolve complaints. A phone call to the office results in an almost immediate response. Callers should know that confidentiality is respected.

The services provided from the office are provided at the rather high level of efficiency thanks to all of the help given by Esther Clement. Valuable assistance is also received from the Board of Selectmen and the Planning Board. And a very large thank you is owed to the residents of Sorrento for their assistance and cooperation. It is very obvious you love your town.

John Fuhrman, CEO

TOWN CLERK'S REPORT

Vital Statistics

July 1, 2005 to June 30, 2006

Marriages:

Earl M. Gray Jr. and Robin M. Poole, Sorrento, in Ellsworth

July 1, 2005

Kendall L. Floyd, Jr. and Tara M. Carmichael, Sorrento, in Bangor

December 17, 2005

Igor Malenko, Holland, and Lori M. Handrahan, Sorrento, in Bar Harbor

May 30, 2006

Joseph N. Crary, Jr., Prospect Harbor, and Hilly Welch, Sorrento in Sorrento

June 3, 2006

Births:

Cailyn Alexis Haywood on October 19, 2005

Elsie Lorraine Carter on February 8, 2006

Deaths:

Martha B. Scott, 67, on August 11, 2005 in Ellsworth

Lawrence Lewis, 77, on October 31, 2005 in Sorrento

Stella C. Swiszz, 89, on May 24, 2006 in Ellsworth

Christopher M. Cunningham, 27, June 2, 2006 in Ellsworth

SORRENTO SCHOLARSHIP COMMITTEE

**PO Box 394
Sorrento, Maine**

Committee Members:

Earl Bierman, Gina Bennett (treasurer), Alison Clark, Harold Clark (public relations), Jane Davis, Ellen Devine, Diane Gazis (chair), Persis Laverack, Cathy Lewis, Robert Marshall, Amy Mickel, Louisa Mygatt, Cathy Ring (secretary), Brandi Walston, Linda Woodworth

Checking Account Balance 07/01/05	\$ 23,263.72
Checking Account Balance 06/30/06	\$ 25,790.14

During this period the following grants were made:

Charles Buteau	\$ 1,800 (sophomore University of Maine)
Heather Brown	\$ 1,900 (freshman University of Maine)
Brian Clement	\$ 900 (junior University of Maine)
Victoria Comer	\$ 900 (sophomore University of Maine)
Nicole Marshall	\$ 1,800 (junior Arizona State University)
Hillary Page	\$ 1,900 (junior University of Maine EMCC)
Katlyn Parker	\$ 2,050 (freshman Oklahoma City University)
Whitney Reynolds	\$ 900 (freshman Eastern Maine Community College)

New Applicants:

Kasey Hinckley	Kaplan University
Brittany High	Eastern Maine Community College
Merissa McCaw	Semester in Russia

Those grants go directly to the students. The majority say they use the money for textbooks primarily but also for living expenses. It is noted that some colleges reduce college financial aid by subtracting local funding. By giving directly to the students, this subtraction is avoided.

COASTAL RECYCLING

Report to the townspeople of Sorrento
submitted by Michael Tansey
Town Rep, Vice-Chair and Clerk
July 23, 2006

This has been a very busy year at Coastal Recycling.

We now have a separate area for Universal Waste Storage.

We have improved the public drop off area.

We have landscaped the area and enlarged the parking area.

We plan to be open Wednesdays, Thursdays and Saturdays.

Even though prices and material collection have decreased, we
are able to hold the line on town appropriations.

**WE URGE YOU ALL TO RECYCLE, ESPECIALLY NEWS-
PAPER AND CARDBOARD.**

Thank you for your support

Michael Tansey, Town Rep-Vice Chair-Clerk

SULLIVAN-SORRENTO HISTORICAL SOCIETY

The Sullivan-Sorrento Historical Society has had a very busy year. First, we wish to express our appreciation to each town for the annual appropriation given us to continue our work of preserving the past for this and future generations.

In addition to our normal yearly activities, we have initiated several new projects, some of which are completed, and some are on-going:

1. We actively searched for a new curator to fill the vacancy to be left by Barbara Potter when she retires in June 2006, after 15 years of dedicated service. We are pleased to welcome Gail Hastings to the position.
2. We have established a Hosten Scholarship in the amount of \$ 1,000 in memory of Dr. and Mrs. Leslie Hosten, formerly of Sorrento. It will be awarded annually to a graduating senior from Sullivan or Sorrento attending Sumner Memorial High School who has earned distinction in the study of history, and who intends to pursue higher education.
3. With the gracious permission of the property owners, we are preparing to erect a memorial plaque at the Daniel Sullivan hoesite in Sorrento; watch for a dedication date in 2006.
4. We have started a system of filing house photos and information using the "911" street address. This will be a long project pulling together in one envelope all available information on a given property.
5. We have trimmed the over-grown shrubs and rejuvenated the landscaping surrounding the Sullivan-Sorrento Recreation Center. As well as painting some of the center's interior walls in the main meeting room.
6. In answer to the request of the Sullivan-Sorrento Recreation Center Committee, one of our members is now representing the Historical Society on that committee.

We had four public programs in 2005:

June 15th - "Activities at the center of Cooperative Aquaculture Research", a facility of the University of Maine, by Stephen Eddy of this Franklin organization. Steve gave an excellent "Power Point" slide presentation stressing plans for the future of Maine's fishing industry. It was held at the Sullivan-Sorrento Recreation Center.

July 20th - "History of Edgewater Inn" by owners Roger and Betsy Dunbar Wakefield who kindly opened their home and grounds for a tour of both, and the old steamboat and coal wharf areas. This was followed by an historical program on the inn which included photos, dinner menus and inn memorabilia. Many in attendance related stories about staying, dining and even working there over many decades.

August 17th - "Deep diving, mines and shipwrecks in Frenchman's Bay" by local divers John and Marlene Daley. Held at the Sorrento Community Center, it was another of their super programs. After using a "Power Point" slide presentation, they then spoke about the abandoned Milton Silver Mine in Sullivan. It has a 184 foot deep shaft and side tunnels that time has filled with water to cover the old mining equipment. They displayed many artifacts from these sites.

September 21st - "History of the Farmstead Home and barn" by owner Gina Davis Wexler. Held at the Sullivan-Sorrento Recreation Center this was an interesting program which highlighted information about the Bean family, the original owners, and the different uses of the property through the years. One was a tea room run by shaker ladies.

Since the 1970's, wonderful children's programs have been produced in the theatre barn each July. Some of the entertainer's names are nationally recognized.

In October we were well represented at the annual "Lites Out" meeting of five local historical societies. The speaker was former astronaut Dick Hauck who talked about his NASA shuttle flights.

Our summer exhibit for 2005 was a tribute to Sullivan Potter the late Denis Vibert. On display were many one-of-a-kind pieces, photos showing the pottery making process, and newsclipping relating his escape from the Nazis in WW II. This powerful exhibit drew many people to the museum and was extremely well received.

We sponsored two special events in 2005, both held at the Sullivan Town Hall on a Sunday afternoon. On June 26th eight girls responded to a school-wide invitation for an afternoon tea which featured a talk on dolls from 1850 - 1960. The girls, accompanied by an adult, brought their own dolls and spoke about them. Refreshments were served and gifts given each participant.

On October 23rd we hosted a "Quilt Documentation Day". Twenty-six local quilts, spanning the years from 1840 - 1960, were registered with the Maine Heritage Quilt Association. Two members of the association led a team of seven volunteers. Each quilt was examined for its pattern, materials, and history then documented, numbered and photographed. It was an interesting, informative and fun four hours.

We again took part in Sullivan Daze by having a booth in the park and having the museum open from 7:30 am until 3:00 pm. We were prepared to participate in the Sorrento Harborfest, but that event was cancelled.

In conclusion I extend my personal thanks to our curator, officers, board members and all who help and guide our historical work.

Respectfully submitted,
Richard A. Cunningham, President

**Synopsis of Activities
of the
CAPITAL IMPROVEMENT COMMITTEE
Sorrento, Maine
for July 2005 through 2006**

The Capital Improvement Committee (CIC) was chaired by John Kalkow with a membership which consisted of Jamie Brown, C.W. Comer (secretary), Ruth Moss, Jim Wagner and Win White. The CIC met seven (7) times from July 1, 2005 through June 30, 2006.

The Committee, in September, presented an Article in the Town Warrent requesting funds in the amount of \$15,000.00 be set aside in the next budget year in order to accrue funds for voter approved capital improvements when they become necessary in the future. The Article was accepted by the voters at the September 2005 town meeting.

In December, the CIC surveyed the community through the town newsletter to ascertain if there was a need for a bus service to Sorrento. There were no responses to the survey and the Committee will not pursue the question further. The Committee, along with Selectman Dan Bierman, also explored ideas for the safe storage of town records which are currently not stored in a fire-proof vault. No conclusive ideas were forthcoming.

In March, the Committee investigated the need for land use and building ordinances in an attempt to be proactive with regard to future development in Sorrento. To this end, the Committee drafted a memo stating its concern and the memo was delivered to the town selectmen on July 19, 2006.

In May, Mike Tansey (Chairman of the Planning Board) met with CIC to further discuss land use and building ordinances that might be needed in order to direct future Sorrento development in a planned and organized manner. This discussion continued through the June meeting when a memo to the selectmen was drafted.

Submitted by C.W. Comer, Secretary, Capital Improvement Committee

SORRENTO - SULLIVAN RECREATION CENTER

September 2006

The Sorrento-Sullivan Recreation Center exists as a private non-profit organization to help provide educational and recreational services in the local community. The center's by-laws provide for a board of directors made up of citizens from the two towns.

Our building is used extensively by the public for both private and profit-making activities. We are also home for the local library and historical society as well as for Sumner Adult Education's Adult Learning center. All of these activities put heavy pressure on the building in terms of maintenance, upkeep and operating expense. Our electric bills are approaching \$600 a month and with heating oil heading for \$3.00 a gallon, the coming winter could create some real financial problems.

In addition to the increase in expenses, our revenues from bingo are declining steadily. The same losses are reported by bingo parlors throughout the county. Could slot machines be a factor?

Although neither Sullivan nor Sorrento has any financial obligation to the recreation center, both towns have always made contributions through their warrants. This year we are, for the reasons outlined above, asking for an increase from each town. Please be assured that this money goes directly to defray operating expenses. The board has created a separate fund for maintenance and repairs and has adopted every cost cutting measure possible.

The board thanks the town for its support. We welcome suggestions and are always seeking additional board members. If you are interested in contributing in any way please call 422-3618 for additional information.

Sorrento-Sullivan Recreation Center
Roger Woodworth, President

FRENCHMAN'S BAY LIBRARY

Our library is in the process of improving the children's area by moving the books back up front where the young ones can have easier access and I can be near by in case they need any help. We had previously put the juvenile books in the little room in the back which had always been used for research and for use by the literacy volunteers. It was a bad idea for us to have changed it in the first place, so now it is being returned to it's more preferable arrangement.

We have had a busy year and have received many new books and DVD's. We have also acquired a new Dell computer adding to our two Gateways for our clients to use. We have a printer and a copier also. One of the computers will be placed in the research room.

We are really a pretty extensively supplied library with all kinds of books for all tastes. Come and see for yourself. We welcome all ages of browsers and lovers of reading as well as those who wish to use the computers for e-mail or research, and don't forget all those DVD's!

We are located on the left side of the Sorrento-Sullivan Recreation Center, which is next to the new playground. Our hours are from one (1) to five (5) on Tuesdays and Thursdays, and from ten (10) am to two (2) pm on Saturdays.

Respectfully, Mary Welsh, Librarian

January 2006

Dear Friends:

I would like to express my deepest thanks to the people of the Second Congressional District for the opportunity to serve a second term representing you in the United States House of Representatives. Similarly to my first term, I continue to travel home to Maine each weekend to hear from the people of Maine's Second Congressional District, which is the largest east of the Mississippi River.

In order to bring the services that my office can provide to the entire District, I have directed my staff to continue with their vigorous outreach program. They will continue to hold office hours in various communities throughout the District on a monthly basis. This year, I have added another aspect to our program in order to make our services more available in the more rural areas of the district. To accomplish this goal, my staff members have begun a calling program, designed to contact people who otherwise might not wish to travel to our offices or people for whom that distance is too far. I take my role as your Representative very seriously, and I want all the citizens of Maine's Second District to have access to me and my staff.

During the next year, I hope you'll share your thoughts and concerns with me on the numerous issues facing our Maine and our nation. If my office may ever be of any assistance, please do not hesitate to contact me at my Bangor office at 942-6935 or by emailing me through my web page at www.house.gov/michaud. You may also use my website to sign up for occasional E-mail updates on the various issues facing Congress.

The same lunch bucket I carried to work for 28 years still sits in my Washington office to remind me to never stop working as hard as the hard working people of Maine. I look forward to hearing from you and am humbled to represent you in Washington.

With warmest regards,

Michael H. Michaud
Member of Congress

Dear Sorrento Residents,

The 122nd Maine Legislature has put people first. We are working to move Maine forward. Through increased investments in jobs and the economy, education, health care, local communities, our natural heritage and the environment we are continuing to build for Maine's future.

In the last few years we have implemented the most significant small business agenda in twenty-five years. The creation of economic Pine Tree Zones and the establishment of the Maine Regulatory Fairness Board will encourage economic growth and development. We have improved access to online permitting for professional license holders and have allowed for increased access to state contracts by Maine small businesses. With the creation of the Community College System we are providing a better opportunity for thousands of Maine people to continue their education and improve their employment skills. A well trained, highly educated and readily available workforce is critical to job growth and economic development. We are moving forward by providing businesses and workers the tools they need to succeed. High-speed internet is vital for Maine to compete globally and we are committed to doing that. We are working to establish a business court that will allow Maine businesses quick and easy access to our state's legal system when needed.

In November 2005 voters passed Question 7 which asked, "*Do you favor amending the Constitution of Maine to permit the Legislature to authorize waterfront land used for commercial fishing activities to be accessed based on the land's current use in a similar manner to treatment now available for farms, open space and forestland?*" By a margin of 72% in favor and 28% opposed we answered emphatically "yes" we do. The day following the vote, I submitted legislation to protect Maine's working waterfront. My legislation, when passed, will tax working waterfront property at its current use rather than its highest and best use. With this law we will stop the erosion of our way of life, our heritage, and for many of us, our family traditions that have spanned generations.

I believe our economy is vital for our future. I will continue working for our coastal communities. I am committed to working for Hancock County and our state.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dennis".

January 2006

Dear Friends and Neighbors:

Once again I have the opportunity to thank you, the citizens of Sorrento, for placing your trust and confidence in me to serve as your voice at the Capitol. I take great pride in being able to represent your interests at the State House and I will continue to work diligently for our coastal community.

A number of important items will be brought before the 122nd Maine State Legislature. More than 400 bills will make their way through the legislative process, including an attempt to increase the state's minimum wage, fine-tuning the DirigoChoice program, implementing energy efficiency measures and examining laws on eminent domain.

As a member of the Joint Standing Committee on Taxation, I have been afforded with the opportunity to be an integral part of the discussions on tax reform. I eagerly look forward to the many challenges that will come before us and remain committed to putting Maine back on a path to prosperity, erasing our standing as the highest taxed state in the nation and leveling property taxes so that families are not forced out of their homes.

Your comments and suggestions are always welcomed and truly appreciated. It is through your input that I am better able to serve you, my constituency. Please feel free to contact me in Sorrento, 422-8264, or at the State House in Augusta, 287-1440. If you prefer writing, my mailing address is 172 East Side Road, Sorrento, Maine 04677; and my e-mail address is RepEarl.Bierman@legislature.maine.gov.

Sincerely,

Leonard Earl Bierman
State Representative

The Warrant

Hancock, SS State of Maine

To: Dwayne Clement,
Resident in the Town of Sorrento, in the County of Hancock

Greeting:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the Town of Sorrento, in said county qualified by law to vote in Town affairs, to meet at the Sorrento Community Building on Monday the 11th of September, AD 2006 at 2 o'clock in the afternoon then and there to act on articles numbered 1 and 2.

1. To elect a moderator.
2. To elect by Australian Ballot the following officers: One Selectperson for three years and one School Board Member for three years.

The polls will open 2:00 PM and close at 6:00 PM at the
Sorrento Community Building

And to notify and warn said voters to meet at the Sorrento Community Building on the following Monday, the 18th day of September, AD 2006 at 7:00 PM, then and there to act on the remaining articles , namely:

3. To set, raise and appropriate compensation for the following officers:

	Recommend:
Selectpersons	3,700 3,350 3,350 currently \$3,600 3,250 and 3,250.
Tax Collector, Treasurer, Town Clerk	19,950plus medical insurance salary, currently \$19,850
Fire Chief	2,750 currently \$2,650
School Board Members	650 currently \$600
Road Commissioner	State Wages

4. To elect 3 assessors and 3 general assistance officers and set compensation.
5. To elect Directors for the Sorrento Community Building, to serve for 1 year.

6. To see what date the Town will set when taxes shall be due and payable, and to see what rate of interest the Town will set to be charged on said taxes unpaid after said date.
Recommend: 45 days after taxes are committed and 11.0% interest.
7. To see what sums of money the Town will vote to raise and appropriate in the following categories for the 2006-2007 fiscal year.

	Recommend:	Last Year:
Administration	26,000	22,000

Septic Disposal Contract	300	300
Hancock County Planning Comm.	500	500
Sorrento Planning Board.	1,500	2,000
Sorrento-Sullivan Recreation Center	1500	500
Public Safety	2500	0

8. To see what sums of money the Town will vote to raise and appropriate for the following community supporting groups:

	Request:	Last Year:
American Red Cross	290	290
Challenger Learning Center	300	New
Combat	150	100
Community Health & Counseling	281	789
Doane's Point Cemetery Corp.	2,000	2,000
Down East Aids Network	145	145
Down East Triad (New)	300	300
Downeast Horizons	900	900
Down East Family YMCA	775	725
Eastern Agency on Aging	100	100
Ellsworth Public Library	1155	1125
Emmaus Homeless Shelter	145	New
Faith In Action Community Connection	250	250
Frenchman's Bay Library	500	250
Grand Auditorium	600	600
Hancock County Homecare	527	527
Head Start/Child & Family Opportunities, Inc.	200	400
Hospice of Hancock County	500	500
Joanne Cowan Scholarship Fund	250	250
Loaves & Fishes Pantry	500	500
Maine Coast Memorial Hospital	363	363
Maine Public Broadcasting Corporation (MPBN)	200	100
Project Graduation (SMHS)	350	200
Sea Coast Mission)	200	200
Sorrento Scholarship Fund	2,500	2,500
Sullivan Daze Fireworks	250	250
Sullivan- Sorrento Historical Society	500	500
Sullivan-Sorrento Playground	500	New
United Cerebral Palsy	500	400
Washington-Hancock Community Agency	270	288
W.I.C.	180	180
Yesterday's Children	300	300

9. To see if the Town will vote to raise and appropriate \$15,000 into the Capital Improvement Fund to be dedicated to the purpose of paying for high cost

capital improvement expenditures incurred by the Town as a result of extraordinary circumstances and which cannot be included in the annual Town Warrant.

10. To see if the Town will vote to raise and appropriate \$8,000 for the Sorrento Community Building to cover running expenses, with any remainder to be transferred into the Community Building Committee's checkbook. This sum will be used by the Building Committee to replace the refrigerator, card tables and some chairs and for improvements along with the donations that come in.
11. To see if the Town will vote to raise and appropriate \$5,000 to modify the Community Building bathroom on the main floor to provide a handicap accessible shower in order to meet the Red Cross criteria for an emergency shelter.
12. To see if the Town will vote raise and appropriate sufficient funds to shingle and stabilize the old Firehouse. Recommend \$15,000.
13. To see if the Town will vote to make part of Ocean Ave. seasonally one way. Petitioners recommend: Town Dock to Village Green.
14. To see if the Town will vote to raise and appropriate \$5,000 and appropriate \$10,000 from Surplus for the Fire Truck Fund. Money from this fund can only be withdrawn by appropriation for Fire Truck replacement.
15. To see if the Town will vote to authorize the Selectmen to accept for the Town gifts or grants of moneys from Federal, State or private sources.
16. To see if the Town will authorize the Selectmen to dispose of all property held by tax liens on such terms as they deem advisable, and execute quit claim deeds for such property providing any such sale is advertised in the Ellsworth American for 30 days prior to such sale so that all may have an opportunity to bid on same.

17. To see if the Town will vote to authorize the Selectmen to spend an amount not to exceed $\frac{1}{4}$ of the budgeted amount in each budget category of the 2006-2007 fiscal year during the period July 1, 2007 until the annual town meeting for the year 2007.
18. To see if the Town will authorize the Fire Department, with the Selectmen's approval to dispose of surplus capital equipment in a manner that best benefits the Fire Department. The proceeds, if any, will be deposited in the Fire Truck Fund to be used, along with any donations, to replace the equipment for the Fire Department.
19. To see if the Town will vote to exceed the property tax levy limit of \$297,518.41 established for Sorrento by State law in the event that the municipal budget approved under the preceding articles will result in a tax commitment that is greater than that tax limit.
20. To see if the Town will vote to adjourn the meeting.

The Selectmen hereby give notice that they will be in session at the Community Building at 7 o'clock in the evening on Monday September 18th.
